## 2022 LES SCHWAB JUNIOR GOLF GRANT PROGRAM

The Inland Empire Chapter PGA is proud to introduce the new 2022 Les Schwab Junior Golf Grant Program! This initiative reflects the commitment from Les Schwab to support our Chapter and grow the game for junior golfers in the great Pacific Northwest! Our goal is to provide as many grants as possible, with a maximum of \$1,000 per grant.

This opportunity is open to all Inland Empire Chapter Members and Associates in good standing who seek funding to help support their own Junior Golf programs of any size. Funds can be put towards any of your program needs to help grow the game for local junior golfers! Examples include golf clubs, tee prizes, training aids, gear, prizes, ect. The Chapter Executive Director and Les Schwab leadership will consider all requests and your applications will help us expand our vision on what programs should be considered.
